

Attention
Santa Cruz Roundtree Owners
Termite Tenting in 2017

Santa Cruz Roundtree will be fumigating all units this July and August, 2017. Roundtree has chosen Cardiff Pest Control to carry this out.

Cardiff Pest Control will attend two Town Hall meetings to address any questions that members may have.

Town Hall meetings are scheduled for **Saturday May 6, at 1:00 pm**, and **Tuesday May 23, at 6:00 pm**. Both meetings will be in the clubhouse.

Currently tenting is scheduled to begin on Monday July 17 and will be completed on Thursday August 12, 2017. The Castillion Terrace side will be tented first followed by Palo Verde Terrace. We expect each side will take two weeks to complete all units.

Residents will need to vacate their units for two nights while their unit is being fumigated. Cardiff Pest Control will provide packets for all owners with information on preparing for tenting as well as information on the fumigant they use. Owners of rental units will need to give their tenants the information on preparing for tenting.

We recommend all owners attend one of these important meetings.
